Spec. - Application for Australian immigration

Ad Pol

JACKPOT has requested that we make inquiries concerning TRACHTENBERG, a Pole in Munich, who, with his wife Chaya, 59 years, and his son Leib, 21 years, has applied for admission to Australia as immigrants.

An anonymous letter received by the Australian authorities states that this man was a well-known collaborator of the Germans who cold-bloodedly betrayed to the Germans many of his compatriots. His son was a Jewish policeman in the ghetto and helped the Germans in exterminating the ghetto inmates. At the end of the war the family are alleged to have engaged in large scale smuggling and blackmailing refugees, demanding from them special ransom under threat of betraying them to the Soviet authorities.

We would appreciate any local information concerning these activities of the TRACHTENBERG's you may be able to secure.
